LIFE

Although I'm young and smart,

I think that life is very sad.

People hurt and children starve,

Why not to make it stop.

Try to hush and hear the voice,

All the children shout for choice.

Choice to learn and choice to work,

Choice for peace and stop the wars.

Choice for food, water and love,

Choice to make a better world.

Δωροθέα Βατσίλα, Ε1

WHAT AM I?

In the morning

I am everywhere

I'm not the air,

You can't smell me,

You can't touch me.

What am I?

At night I am up

in the sky.

I am not the stars,

I am not the moon,

But you can see me.

What am I?

Χριστίνα Μαραγκού, ΣΤ

I WANT TO TELL YOU SOMETHING...

I want to tell you something to do

I want to play something with you

Because you are my best friend

and our love will never end

Let's go to play a football game

let's go to play a video game

Let's go to skate under the rain

If you want your life to entertain

We are a suitable pair

We often go to the square

Reading all day is so unfair

we want to fly in the air

I have to play my guitar

Because I want to be a star

Play if you want to be a "Hero"

Read if you to be a "Zero"

Θεόδωρος Μαυροειδάκος, ΣΤ

Christmas is here
Let's have fun, let's have fun
Let's play in the snow
Ho ho ho
Santa Claus is here
With presents for all
Let's play in the snow
He travels all over the world
Where it is hot or cold
All the children make a list
Send him a letter and make a wish
They promise to be good
Because he knows what they do
Let's play in the snow
He leaves the presents under the Christmas tree
And he takes some cookies for the way
Let's play in the snow
I love Christmas
Ho ho ho

Κυρούση Τζίνα, Ε1

Christmas is nice
To decorate the tree
And the house festivities
beautiful and beacon
Santa Claus is coming
Bringing us gifts
Nice guys we are
And time who will know
The triangle is taking us
Carols singing
With friends going around
And our pocket money taken.
Here's the new year's pie
The gazing adoringly
Who will win the lucky coin
I'm full of anticipation

Παναγιώτης Κουτζόγλου, Ε1

And we are singing the song:
"Glinge linge long"...

SANTA CLAUS IS HERE

Children have fun at Christmas
'cause they're waiting for Santa to come
To bring them presents and joy.
So, they send to him Christmas cards
Tell Santa what they really want
And everyone asks for a different present
A toy, a doll, a pet or a magic dvd.
And Santa is running to satisfy all their wishes,
How nice it is on Christmas Eve.
Santa is laughing
And he's sending kisses
To all the children who had made wishes.
He wishes merry Christmas to all the people.
And then, returns to his sledge
He caresses his reindeers
He sings a carol
and wishes happy new year to everybody !

Χριστίνα Αρτεμιάδη, Ε1

It's hot, it's cold,
It's nine o'clock and I'm very tired
I've got a PS3 but not a Wii.
I eat fruit and I speak very well.
But I suffer a broken finger.
I'm angry but I feel very lucky.
I feel happy and my friend is very angry.

Χρήστος Καραμπέτ, Ε1

THE CHRISTMAS PRESENT

We tidy the living room

Then we put the Christmas tree

In this year we cut the king's pie

We sing the carols

And Santa Claus comes to our house.

We get the presents

From Santa Claus

Santa Claus drinks coca cola

And he's wearing red clothes.
